Re: Alison Hoover

Dear Ms. Northcut,

This letter is to certify that Alison Hoover is currently a Master's graduate student of mine who is planning to conduct a study entitled "add name of the study here" for partial fulfillment of a Masters degree in Health Psychology. She is conducting this thesis research under my supervision, with my full knowledge and approval. Please do not hesitate to contact me if you have any questions about Alison Hoover or her proposed research.

Sincerely,

A handwritten signature in black ink, appearing to read 'Reiko Graham', with a stylized, cursive script.
