Dear Ms. Saunders,

This letter is to let you know that I have received all necessary forms and to notify you of the final approval of your research project entitled Naming Their World: An Examination of the Critical Literacy Practices and Intersecting Worlds of a Small-town Teacher and her Students.

Please remember to submit an executive summary of your results to the office of the superintendent and campus principal. Mr. López is particularly interested in the results of this study, so please send an additional copy for his office.

Please remember that it is imperative that the anonymity of staff and students be maintained in your final report unless waivers have been granted. Feel free to contact me if you have any questions.

Sincerely,

3/2/2010

Gary Martel
Superintendent of Schools
