Lisa,

I apologize for hounding you about this, but I was wondering if you had any idea how long it would be before a decision is made about my use of the Dunbar center. I truly appreciate the consideration and time you have given me thus far.

Sincerely,

Stacia Miller

Thanks for the information. Will you be conducting fitness classes or will these be informational meetings/interviews? My director is concerned with liability insurance issues.

Dear Lisa,

I recently contacted you about the use of your facilities for my dissertation. Dr. Lisa Lloyd is one of my committee members. I have attached both a letter and tentative timeline. Thank you for taking the time to help me.

Have a great weekend.

Stacia
