DR. ROBERT J. DURÓN
Superintendent

Dear Dr. Huerta,

The Research Review Committee has reviewed your research proposal regarding "Biliteracy: A School to Home Intervention". This research request has been approved.

This research approval is for twenty-six one hour sessions during the school year from January to December 2009. This research approval will be conducted with 20 identified Pre-Kinder and 20 Kindergarten students and their parents. Student sessions should not interfere with the core instruction.

We realize that participation in this research is voluntary and dependent upon campus principals, teachers and parent approval. Upon receipt of this letter you may contact the Principal at Herff Elementary about their participation in the study. We are delighted you have selected SAISD to participate in your project. We wish you success in this study and look forward to receiving the final study report.

Respectfully,

David Udovich
Executive Director, Secondary Initiatives
