LI -

Your request for a review of your proposed research "Collective Bargaining Agreements, Teacher Quality and Teacher Mobility" has been completed under Category II, expedited process. The Human Subject Review Committee member performing the review found that there were no problems with the research design as it relates to human subjects. This e-mail is an approval and your research may proceed as described.

As a reminder, you must comply with Part D of the Campus Policies on Human Subjects requiring notification at the time data collection begins and when it is done. You may accomplish this with a simple e-mail to me.

We wish you well in your research!
