Dr. Walter Randolph Adams
Texas State University
San Marcos, Texas

Dear Dr. Adams:

Please be informed that our university is willing to collaborate with you on projects regarding dietary interventions and cognitive and psychosocial functioning.

Universidad Francisco Marroquín complies with the strictest ethical rules in all its endeavors, including research with human participants.

The study you have presented has been approved by our University.

As we have stated before, and regarding our bylaws, our university cannot solicit funds from any government entities.

We look forward to our mutual collaboration.

Cordially,

UNIVERSIDAD FRANCISCO MARROQUIN
